# Video Tutorial

The following PDF contains step-by-step instructions for YouTube  
If you would like to watch a video tutorial, please click here:

<https://www.youtube.com/watch?v=Hlxqk0iHp5w&t=3s>

# Uploading Your Video

After you login to your YouTube (GMail) account, this will be your home screen  
In the top right hand corner, click on the upload button shown below

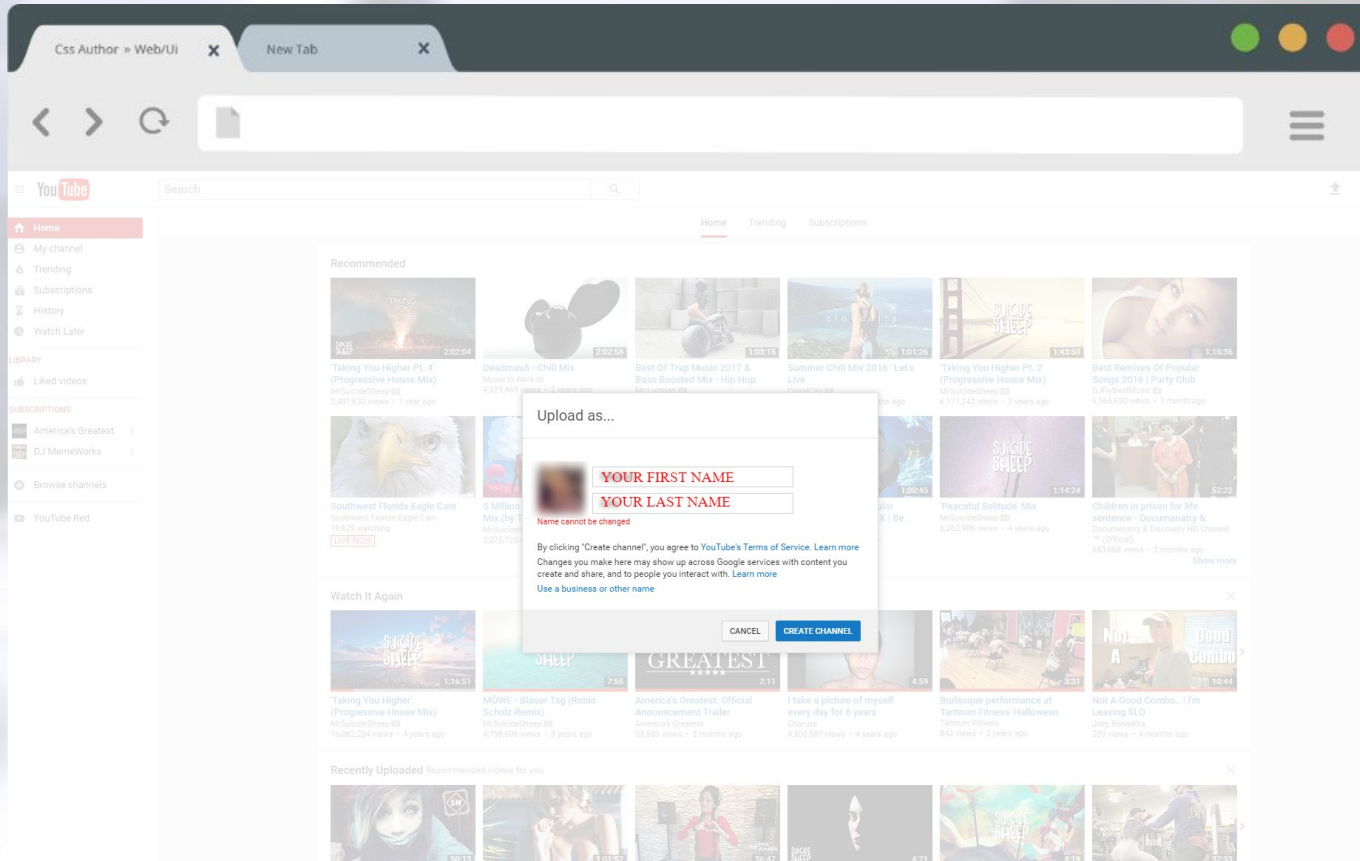

# Uploading Your Video

Here, you will be able to create your YouTube Channel

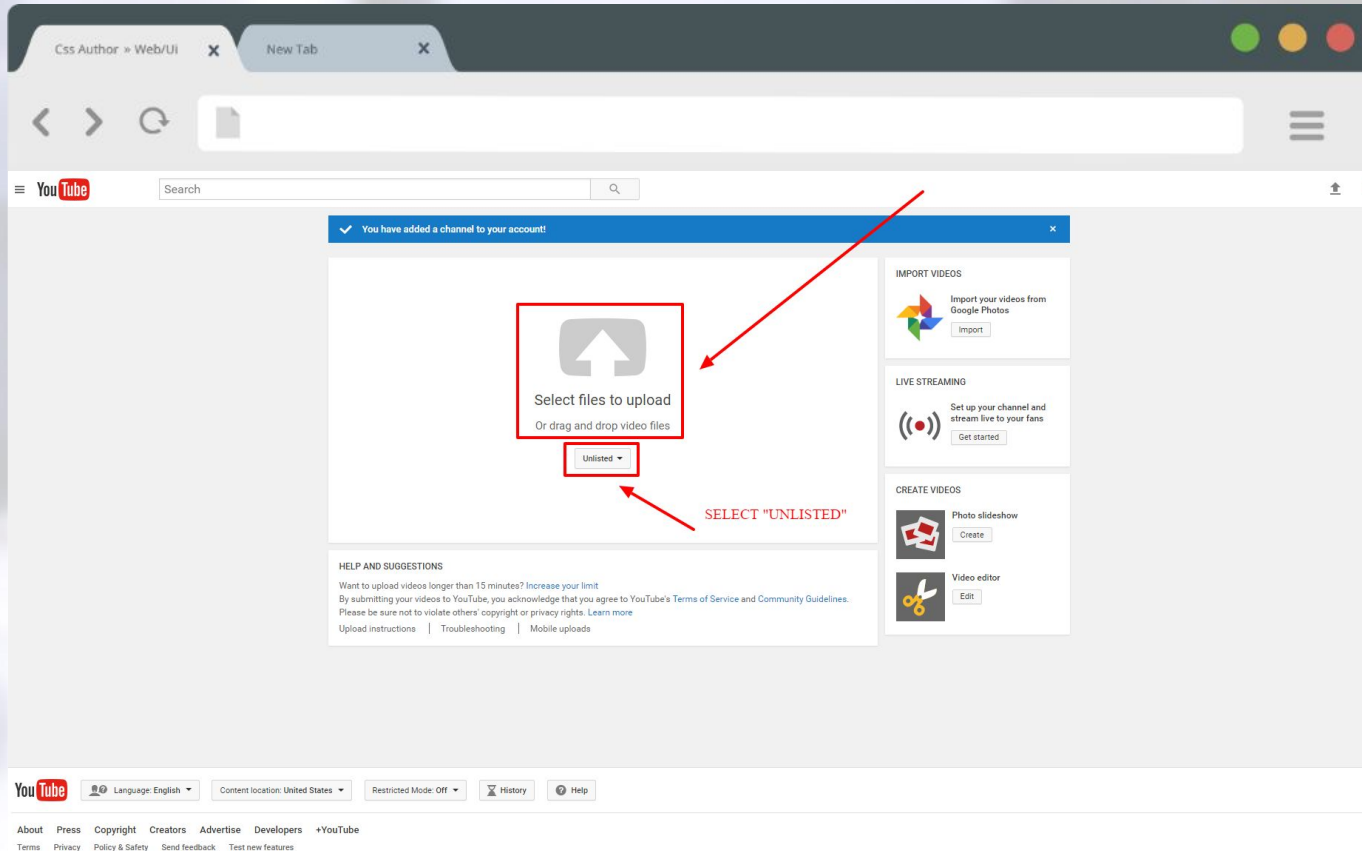

You can click on “Create Channel” using your name

You can also click on “Use a business or other name” at the bottom

# Uploading Your Video

To upload a video, either click on this icon or drag it from your computer  
Below, we recommend making this video “Unlisted”  
Unlisted videos will show up on your website but aren’t searchable on YouTube

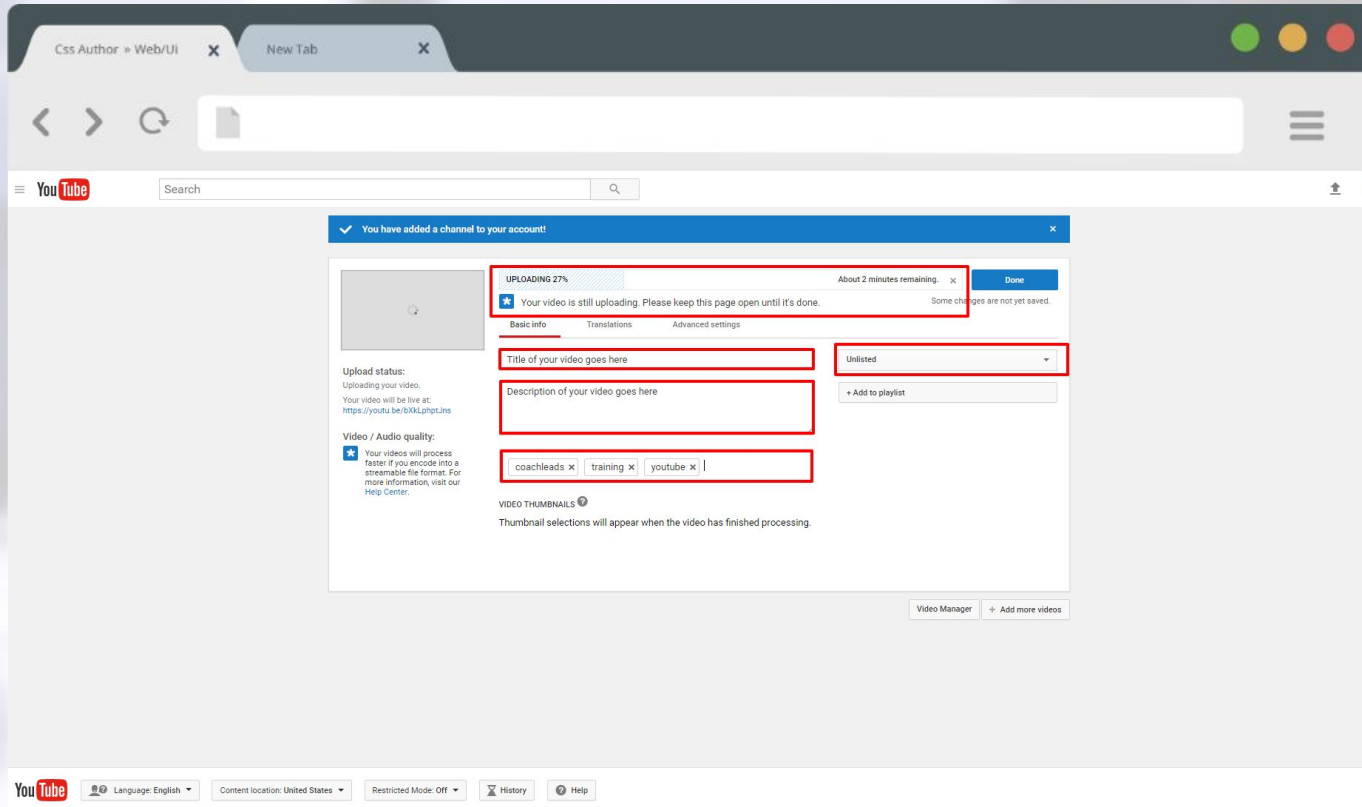

# Uploading Your Video

After you upload your video, you will see this screen

You can edit the title, description, tags, and visibility

Keep this page open until it is 100% uploaded and processed, then click “Done”

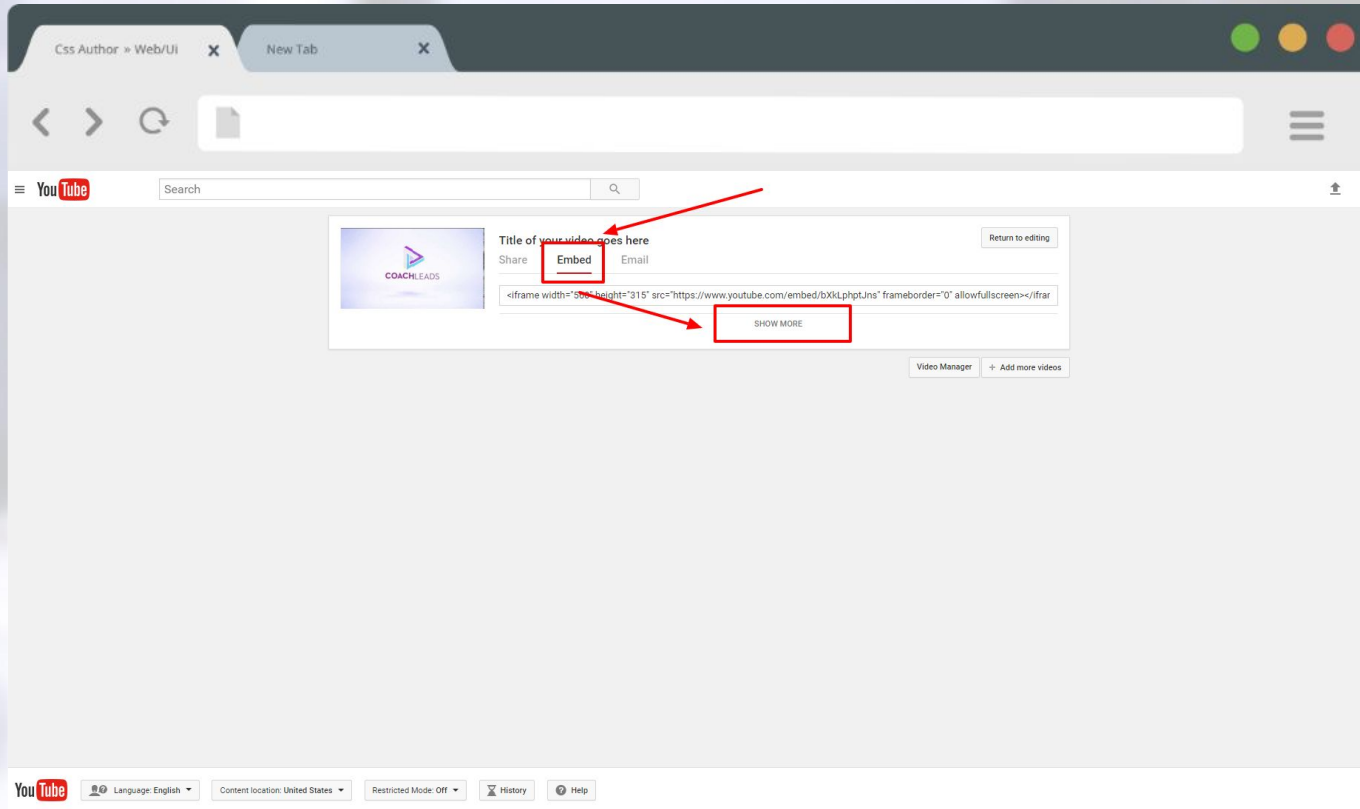

# Embedding Your Video

The easiest and fastest way to get your video embed code will be right after it's uploaded

Click on the button that says "Embed"

Next, click on where it says "Show More" at the bottom

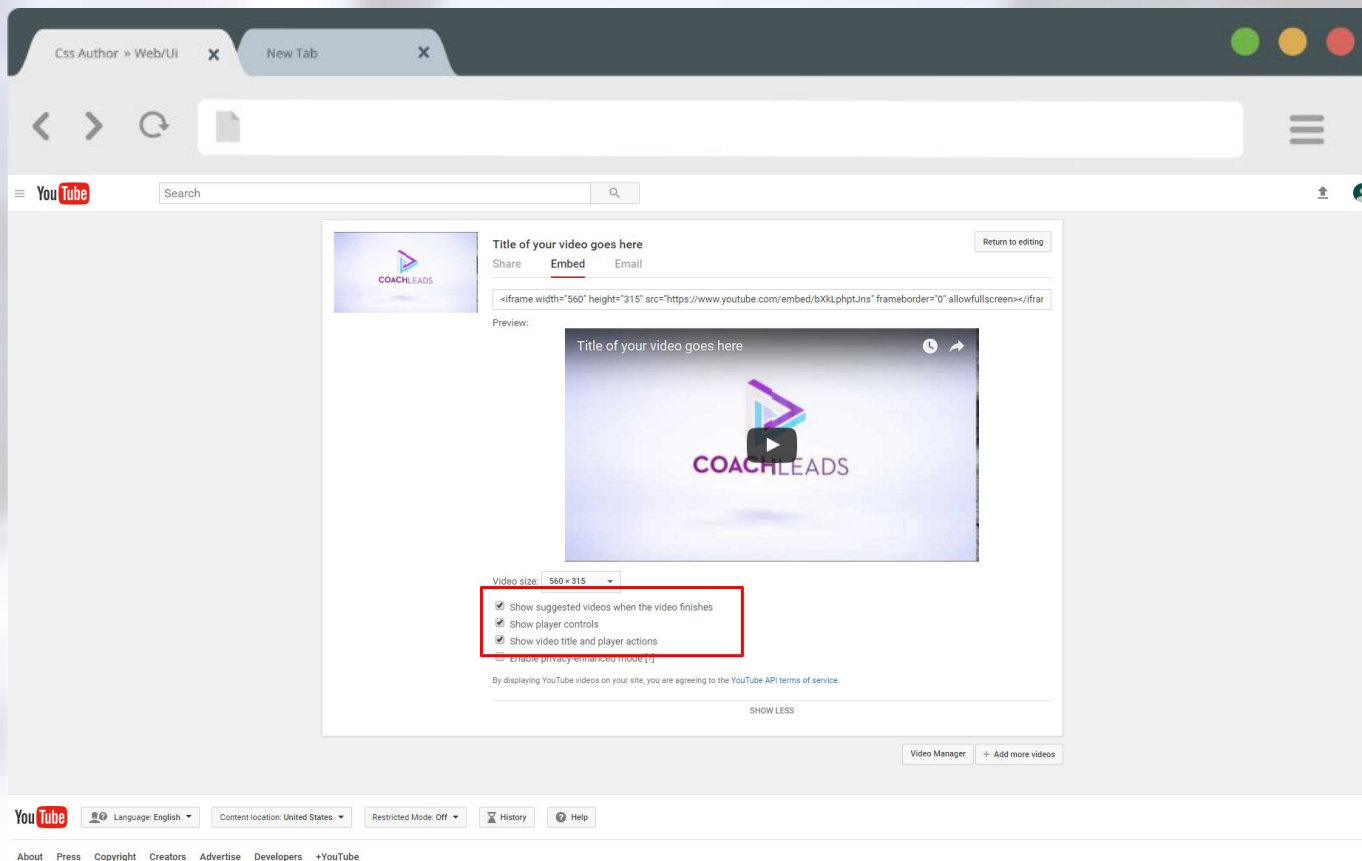

# Embedding Options

In these options, you have some control over what happens with your video on your website

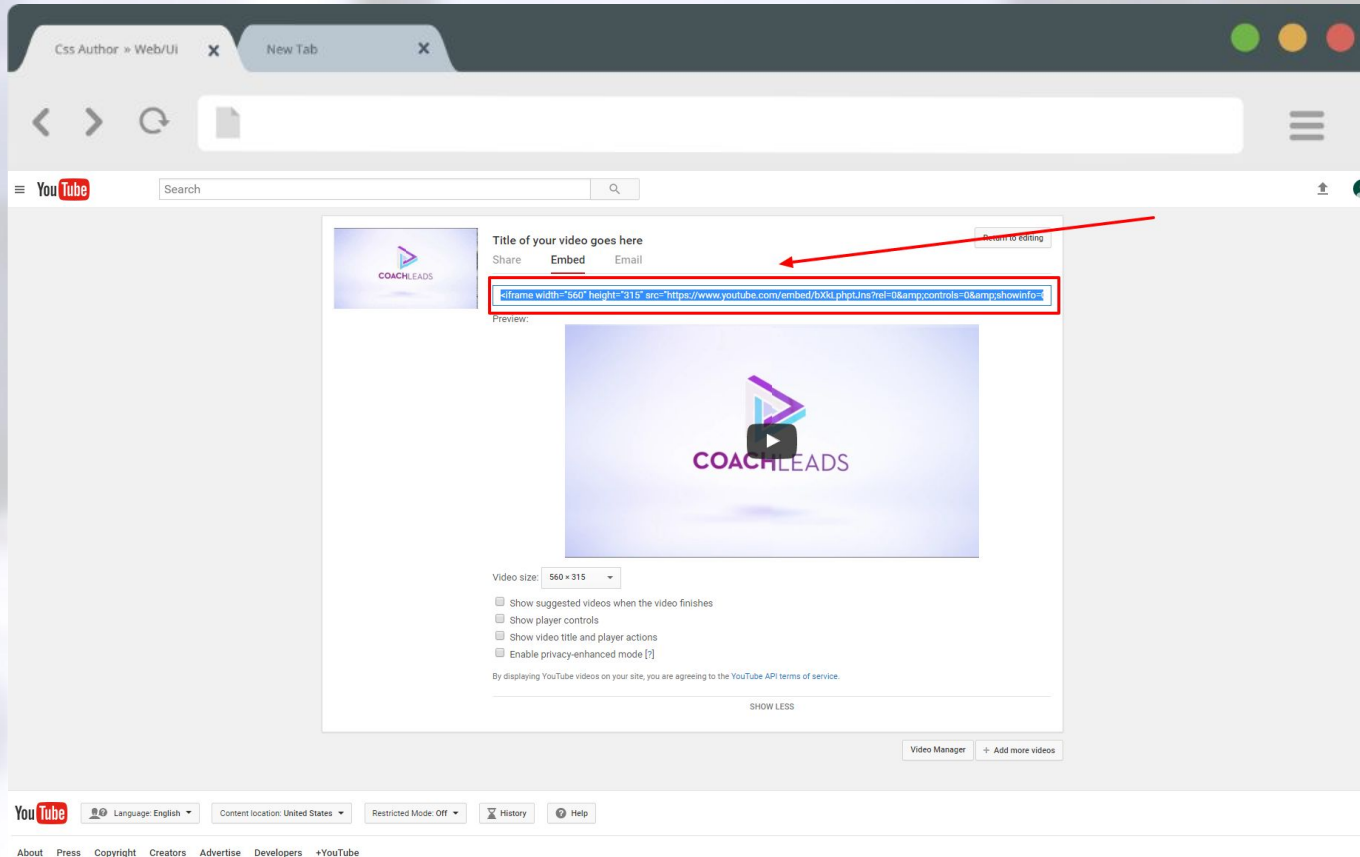

You can hide videos from appearing after your video ends (recommended)

You can also hide player controls, video titles, and player actions (recommended)

# Embed Code

Finally, copy your embed code in this area  
After you have copied this code, you can go back to your CoachLeads website  
Once you are in Design Studio, you can embed your video on your website!

The screenshot shows a web browser window with two tabs: 'Css Author » Web/UI' and 'New Tab'. The address bar is empty. The main content area displays the YouTube embed interface for a video titled 'Title of your video goes here'. The video player shows a 'COACHLEADS' logo. The embed code is displayed in a text box, highlighted with a red border and a red arrow pointing to it. The code is: `<iframe width="560" height="315" src="https://www.youtube.com/embed/bXXJpLp4Jns?rel=0&autoplay=0&showinfo=0" frameborder="1" allow="accelerometer; autoplay; clipboard-write; encrypted-media; gyroscope; picture-in-picture" allowfullscreen></iframe>`. Below the code, there are options to 'Show suggested videos when the video finishes', 'Show player controls', 'Show video title and player actions', and 'Enable privacy-enhanced mode'. At the bottom, there is a 'SHOW LESS' button and a 'Video Manager' button.
